## EXPERTISE

Mind-Body Connection (awareness)  
Holistic Health / Chronic Pain  
Soul-Body Realignment  
Empowerment  
Mindset  
Healing (Trauma, Development, etc)

## WHAT I DO

I am a healer who wants to guide you back home to your authentic self, awaken you to your own possibilities, and empower you to get behind the wheel of your life.

## MOTTO

Life is our greatest teacher and healer.  
You've got to practice what you preach.  
The most important relationship you will ever have is the one with yourself.

## WORKING EXPERIENCE

- February 2011 – Present: Owner/Entrepreneur, Psychologist, Holistic Wellness Coach, Trainer, Guide, Mentor, and Healer at Wellness In Mind, KingAcademy, Home Flow Design, and the Soul Compass. Initially the practice was located in Schiedam and was focused towards short-term f2f psychological treatment. Through the years it shifted towards (online) holistic wellness coaching and spiritual mentorship, with an emphasis on stress-related complaints, self-worth issues, and chronic pain. through: emotional bodywork, energetic trauma treatment, mindset, awareness, the mind-body connection, emotional stability and self-regulation. From 2024 the emphasis is on guiding people (online) to their true, authentic selves, using Human Design, energy healing, and holistic coaching programs.
- February 2020 – Mei 2024: Holistic Psychologist at Oh my Mood, also 2 years as Team Leader and 9 months in the Works Council.
- February 2020 – Present: Mental coach / Psychologist (freelance) for Drive.  
December 2011 – 2022: Freelance psychologist (initially franchisee) and reintegration expert for SpecialistenNet Consultancy. This involved carrying out specialist coaching programs for SpecialistenNet with an emphasis on reintegration, working towards recovery of clients' working capacity, acting as a case manager, and maintaining contacts/relationships with clients, including managers and occupational physicians.
- August 2018 – February 2020: POH-GGZ at PsyZoh, Landgraaf.
- August 2017 – January 2018: Psychologist at Max Ernst GGZ, Roermond.
- 2015 – 2020: Freelance psychologist and job coach for Polish-speaking employees at
- April 2012 – April 2017: Freelance psychologist for rehabilitation center OCA (initially in Rotterdam, from 2014 at 3 locations in the Province of Limburg). The work involved psychosomatic treatment of people with chronic pain complaints in a team of rehabilitation doctors, occupational therapists and (company) physiotherapists.
- February 2014 – July 2015: POH-GGZ at ZiO in Maastricht and Valkenburg.  
April 2008 – February 2011: Psychologist, Parnassia Bavogroep: basic care team and general practice) in Hellevoetsluis, registration service (CAT PsyQ & BE, 8 months) in Schiedam and Back On Track in Rotterdam (Employment Assistance team, 4 months). The job consisted of conducting intake interviews and short-term general treatment of adolescents and adults, referrals within and outside the organization, waiting list bridging (all common problems, such as eating disorders, grief, depression, anxiety, psychotic complaints, traumatic experiences, relationship problems, etc.). Ensuring the provision of the best possible care to patients through referrals to specialist assistance, independent treatments and professional development. Reacting alertly in the event of an emergency or crisis. Psychological research (in particular into intelligence, personality problems and ADHD). Participation in team meetings, supervision, intervision, case discussions, consultation to referrers.
- February 2007 – February 2008: Psychologist, Emergis in Middelburg, Adult Care Department.  
Conducting intake interviews and reporting them for diagnostics, advice and treatment (cognitive behavioral therapy). Conducting psychological research into intelligence, personality, abilities, vulnerabilities, complaints and various disorders (such as ADHD and autism). Attend and actively contribute to meetings and internal consultations within a multidisciplinary team. Maintaining contacts with various healthcare institutions in accordance with guidelines of the NIP for information exchange and referral of clients.
- March 2004 – December 2004: Intern, Ensis in Rotterdam.  
Protocolized treatments using cognitive behavioral therapy.
